Welcome to WAMPEX

Dear Attendees

It is my sincere pleasure to welcome you to the 19th edition of WAMPEX. Your presence here is greatly appreciated, and we're thrilled to have you join us for this momentous event.

On behalf of dmg events, Ghana Chamber of Mines, and Events & Projects International, we extend our warmest greetings and wishes for a prosperous and productive three days.

We are excited to unite industry leaders, innovators, and stakeholders from across the region to explore the latest advancements in the mining and power sectors. This year's event is particularly special as it marks 32 years since our first gathering and is the largest WAMPEX ever hosted, featuring over 280 exhibitors from more than 26 countries. We encourage you to make the most of your visit by sourcing from thousands of products, networking with industry professionals, and participating in our many workshops.

A heartfelt thank you to the Ministry of Land and Natural Resources Ghana, for their invaluable support over the past 32 years. Their contributions have been instrumental in ensuring the event's relevance and success.

This year's conference remains the leading platform for innovation, collaboration, and expertise exchange in the mining and power sectors. The sessions will feature industry experts, thought leaders, and policymakers engaging in insightful discussions on critical topics.

Don't miss out on our WAMPEX Innovation Hub's free technical workshops, where leading industry professionals will share the latest technologies and insights. Be sure to mark your calendars for the workshops that interest you.

To all WAMPEX 2026 participants, we wish you a highly valuable and successful event. Let's move forward together towards a sustainable and prosperous future for West Africa's mining and power industries!

Warm regards

Adele Tolken
Event Director
dmg events

Welcome Message from Ing. Dr. Kenneth Ashigbey, CEO, Ghana Chamber of Mines

Distinguished Ministers of State, Honourable Members of Parliament, members of the diplomatic corps, captains of industry, exhibitors, sponsors, partners, distinguished delegates, ladies and gentlemen, it is my singular honour and privilege, on behalf of the Ghana Chamber of Mines, to warmly welcome you to the 2026 West African Mining and Power Exhibition (WAMPEX) here in Ghana. WAMPEX has, over the years, evolved into one of the most important platforms for dialogue, innovation, investment, and collaboration within the mining and energy sectors across the sub-region. Your presence here today is a strong testament to our shared commitment to advancing sustainable mining, strengthening regional partnerships, and unlocking new opportunities for economic growth and industrial transformation in Africa.

Permit me also to express our profound appreciation to the sponsors and partners whose generous support and unwavering commitment have made this year's WAMPEX possible. Your continued investment in this platform demonstrates your confidence in the future of the mining and power industries in Ghana and across West Africa. Through your partnership, WAMPEX continues to serve as a premier meeting point for industry leaders, technology providers, policymakers, and investors. We deeply value your contribution to promoting innovation, knowledge sharing, and sustainable development within the sector.

This year's exhibition comes at a particularly significant moment for the mining industry. Across the continent, we are witnessing rapid technological advancements, increasing emphasis on environmental stewardship, growing expectations around local content and value addition, and renewed focus on responsible resource governance. As an industry, we must continue to embrace innovation while ensuring that mining remains a catalyst for inclusive development, job creation, community empowerment, and energy transition. I encourage all delegates to take full advantage of the networking, business, and learning opportunities available throughout the exhibition. On behalf of the Ghana Chamber of Mines, I wish you fruitful engagements, productive discussions, and a memorable stay in Ghana. Once again, welcome to WAMPEX 2026, and thank you.

ING. Dr. Kenneth Ashigbey

Chief Executive Officer,
Ghana Chamber of Mines

Welcome message from EPI

Distinguished delegate, akwaaba.

Welcome to WAMPEX2026, the 19th edition in the series of the West African Mining and Power Conference and Exhibition. This year's event is particularly special as WAMPEX has a new home at the La Palm Beach Hotel.

Since its establishment in 1994, this event has served as a distinguished platform for industry leaders, policymakers, investors, academia, and mining professionals to engage in meaningful dialogue and shape the future of the mining sector. Over the decades, the event has grown into a respected gathering that promotes innovation, sustainability, collaboration, and responsible resource development and this year's event is the largest to date.

We are honored to host participants from diverse backgrounds and regions, united by a common commitment to responsible mining and sustainable development.

As we reconvene, we sincerely appreciate everyone who has contributed to this remarkable journey that began in 1994. We are therefore extremely grateful to the Ministry of Lands and Natural Resources, Ministry of Energy and Green Transition, our Sponsors, Partners, Chairpersons, Moderators, Speakers, Panelists and the Media for collaborating with us again and again to deliver world-class events to the benefit of the Mining and Power industries in the West African sub-region and around the globe.

As you take full advantage of the insightful discussions, networking opportunities, technical sessions, and partnerships that this event offers, we wish you a productive, engaging, and memorable experience.

Nana Antwi Darkwah

Chief Executive Officer,
Events and Projects International (EPI)

INNOVATION HUB

Location: Hall 2 Theatre

DAY 1 | 3 JUNE 2026

**Manufacturing Certainty:
High-Performance HDPE
Liners as the First Line of
Defense in TSF Risk
Management.**

Time: 11:00 - 11:45

**Improving Process
Visibility and Throughput
with Real-Time
Monitoring**

Time: 11:45 - 12:30

**Local Engineering
Excellence, Traversing
Design to Construction**

Time: 12:30 - 13:15

**Transforming Mining with
Sandvik Technology:
From Integrated Mine
Planning to Execution**

Time: 13:15 - 14:00

**Unlocking potential in
mining operations
Speaker: Chris Munnick,
Water Management and
Dewatering Expert**

Time: 14:00 - 14:45

**Advanced 3D
Manufacturing Solutions
for the Mining Sector**

Time: 14:45 - 15:30

DAY 2 | 4 JUNE 2026

**Transforming Mining with
Sandvik Technology: From
Integrated Mine Planning
to Execution**

Time: 11:00 - 11:45

**Unlocking Performance
Across the Mining Value
Chain**

Time: 11:45 - 12:30

**From Raw Materials to
Real Impact: How
Chemistry is Powering
Africa's Growth**

Time: 12:30 - 13:15

**Mineral Resource
Estimation with Leapfrog
Edge**

Time: 13:15 - 14:00

**Beyond Parts: How Intelligent
Aftermarket Solutions Are
Transforming Uptime,
Reliability & Profitability in
Mining Operations**

Time: 14:00 - 14:45

**When Seconds Decide
Everything: Rethinking
Fire Risk in High-Risk
African Industries**

Time: 14:45 - 15:30

DAY 3 | 5 JUNE 2026

**Uganda Breakfast:
Uganda Chamber of
Energy and Mines 15th
Edition: Mineral Wealth
Conference and Expo
Briefing Session**

Time: 08:30 - 10:00

(Invite only)

**Ghana China Mining
Association - Ribbon
Cutting Ceremony**

Time: 11:00 - 13:00

CONFERENCE PROGRAMME

DELEGATES ONLY

Wednesday, 3 June 2026 | 09:00 – 17:30

Thursday, 4 June 2026 | 09:00 – 17:00

The WAMPEX 2026 Conference brings together senior mining leaders, investors, policymakers and solution providers to explore the future of responsible mining across West Africa.

Gain practical insights into investment opportunities, operational challenges, emerging technologies and sustainable growth strategies shaping the mining sector.

KEY TOPICS

**MINING
TECHNOLOGIES,
INNOVATION & AI**

**ESG &
SUSTAINABILITY
LEADERSHIP**

**INVESTMENT
& FINANCE**

**EXPLORATION,
GEOLOGY & PROJECT
DEVELOPMENT**

**ENERGY
SOLUTIONS FOR
THE MINING INDUSTRY**

FEATURED SPEAKERS

**EMMANUEL ARMAH-KOFI

WELCOME TO THE ITALIAN PAVILION AT WAMPEX 2026!

It is a pleasure to welcome the Italian companies present at WAMPEX, the leading platform for the mining and energy sectors in West Africa.

I am particularly pleased to highlight the presence of an Italian National Pavilion, organized by the Italian Trade Agency (ITA) Office in Accra, which showcases the excellence, innovation, and technological expertise of Italian industry.

Italy is internationally recognized for its advanced industrial technologies, engineering excellence, and innovative solutions in the mining, infrastructure, energy, and environmental sustainability sectors.

We firmly believe that this year's motto, "RESPONSIBLE MINING AND ENERGY TO ACCELERATE THE SUSTAINABLE DEVELOPMENT OF WEST AFRICA," is not just a slogan, but a response to a growing need in the collective consciousness and the resulting commitment of the Ghanaian government.

The Italian companies participating were indeed selected for their ability to develop effective and environmentally sustainable technologies.

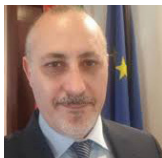

The participation of Italian companies in this international event reflects the strengthening of the economic partnership between Italy and Ghana and our shared commitment to sustainable industrial development.

My special thanks go to the Organizers, to the Director and to the staff of the ITA Office in Accra and, mainly, to the Italian entrepreneurs determined to explore new areas of collaboration with Ghanaian companies.

We look forward to meeting you at the Italian Pavilion and wish all exhibitors and visitors a successful and prosperous WAMPEX 2026."

H.E. Laura Ranalli
Italian Ambassador to Ghana

Luigi Puca
Director of Italian Trade Agency

Metalgalante SPA (CARMIX) | 2A26

A leading manufacturer of small mobile off-road batching plants, CARMIX's mission has always been to design innovative and reliable machines, always ensuring excellent, comprehensive service for our dealers and customers. Since 1969 and many years later, the story continues with the same values, and today CARMIX customers in over 165 countries across five continents have access to the best fully autonomous, mobile, and off-road concrete mixing plant.
