20TH EDITION

Join the landmark 20th edition of WAMPEX

Bigger opportunities. More decision-makers. Greater industry impact.

For over 32 years, WAMPEX has connected mining suppliers with buyers, decision-makers and partners driving growth across the mining industry in West Africa.

In 2027, WAMPEX celebrates its 20th edition with a bigger, better and more connected platform for business development, product sourcing, industry networking and regional market access. WAMPEX 2027 will build on that legacy with expanded networking, enhanced marketing opportunities and experiences designed to deliver even greater value for exhibitors and visitors.

This milestone edition brings together mining companies, investors, procurement teams, government representatives and solution providers to source products, explore new technologies and build valuable business relationships.

MEET MINING BUYERS FROM ACROSS WEST AFRICA

Connect with government officials, mine operators, project managers, procurement teams, engineers and decision-makers shaping mining projects across the region.

SHOWCASE SOLUTIONS BUYERS ARE ACTIVELY SOURCING

Demonstrate your products, services and innovations through your stand, workshops, live demos and face-to-face engagement.

GENERATE QUALIFIED LEADS AND NEW BUSINESS

Use three focused days to identify leads, build partnerships and create commercial opportunities that continue beyond the event.

BUILD YOUR BRAND IN A GROWING MINING MARKET

Position your company as a trusted supplier in West Africa's mining sector during a landmark edition of WAMPEX

Be part of the 20th edition. **[Book your stand for WAMPEX 2027.](#)**

Expand your reach. Build your network. Grow your business.

Exhibition

Meet 10,000+ buyers actively sourcing products, equipment, and services.

Innovation Hub

Demonstrate your expertise through technical presentations and solution showcases to 2,000+ industry leaders, procurement professionals, and key decision-makers.

Business Matchmaking

Facilitate curated, pre-arranged meetings with buyers, decision-makers, project leaders and potential partners.

Conference

Learn from industry leaders and connect with over 550+ senior decision-makers, including C-level executives.

Networking Events

Build relationships during exclusive networking functions, VIP events and meetings that often lead to long-term business opportunities.

Digital & Brand Exposure

Extend your brand presence through WAMPEX's digital and marketing channels before, during and after the event.

Access a mining market projected to reach \$89.1bn

West Africa’s mining sector is on track for more than 70% growth, expanding from \$52.3 billion to \$89.1 billion by 2033. This rapid growth is creating opportunities for suppliers of equipment, technology, engineering services and mining solutions. WAMPEX connects companies with mining operations and project stakeholders across the region.

Ghana One of Africa’s leading gold-producing countries and a hub for mining investment. 	Côte d’Ivoire A growing mining market attracting investment across exploration, production and mine development. 	Burkina Faso An established gold-producing market with ongoing mining and exploration activity. 	Guinea Significant investment in iron ore, bauxite and associated infrastructure is creating major project opportunities. 	Senegal An established mining market with active gold operations and new projects progressing through development. 	Nigeria A growing mining sector supported by investment in mineral development and infrastructure. 	Mali A significant gold-producing market with active mining operations, ongoing exploration, and continued investment in mineral development and infrastructure.

“

WAMPEX 2026 exceeded our expectations as a platform for networking, industry engagement, and business development. The event brought together key decision-makers, industry experts, and solution providers, creating valuable opportunities to build relationships and explore new possibilities. We were delighted to showcase our solutions, connect with stakeholders across multiple sectors, and be part of conversations shaping the future of industry in the region.

Increase your visibility across West Africa's mining sector

Sponsorship at WAMPEX provides visibility before, during and after the event through digital marketing, conference content and on-site branding. Sponsors can increase awareness of their products and services, support conference sessions, participate in panel discussions and engage attendees across multiple event touch-points.

Whether your objective is brand visibility, customer engagement, product promotion or business development, WAMPEX offers a range of opportunities to connect with companies operating across the mining value chain.
